✓ THRIFT O G R A M S
for June 1920. ✓

✓ THE WISE MAN SAYS: ✓

The difference between a successful man and a bum sometimes starts with a Savings Account.

The money for two pairs of \$5 silk stockings will feed you for a week when your hair turns gray.

A man without a bank account is like a dinner without desert.

Acquaintance with a banker means more to a young man than acquaintance with a bill collector.

✓ THE THRIFT DOCTOR SAYS: ✓

It takes more than stories of the "money I used to spend" to bring comfort in old age.

Talk about burning money! Two 10¢ cigars a day amounts to a thousand dollars in 10 years, with interest

4% is to the thrifty man what the dictionary is to the literary man.

Your Savings Account dollars don't go on a strike. They work 24 hours a day and pay compound interest on their own wages.

✓ THE MAN YOU ENVY SAYS: ✓

When old H. C. L. Takes a tumble the hundred dollars in a savings Account will buy more than the hundred dollars spent now.

The silk shirted young man often spends more time dodging bill collectors than collecting interest.

Your work for a dollar. When you get it, let the dollar work for you.

A Safe Deposit Box doesn't think much of a man who locks the drawer after his valuable papers are gone

✓ THOUGHTS FOR THINKERS: ✓

Old Man Thrift laughs in his sleeve at the man who says "What's a dime anyway"?

Keeping up with your neighbor may be a good sport, but don't forget that you have to pay the Piper.

Don't envy your successful neighbor - imitate his good points.

It takes more than one brick to build a house, it takes more than one deposit to build a bank account
